

LEX RUBIN

Los Angeles, CA · Lexrubin@gmail.com · Portfolio: lexrubin.com · (707)-225-7652

EDUCATION

Cal Poly Pomona

B.F.A. Visual Communication Design

GPA: 3.71

Expected May 2027

EXPERIENCE

UC Berkeley College of Environmental Design

Graphic Designer

Berkeley, CA

Jan 2025 – Jan 2026

- Visualized complex hydrological and sediment research findings for a Ph.D. project through graphics, data visualizations, and illustrations
- Collaborated with researchers over weekly zoom meetings to align visual direction with project goals across iterative feedback cycles

Pyxd, Inc.

Freelance UI / Graphic Designer

Santa Clara, CA

Mar 2024 – Sep 2024

- Designed UI components, icons, and web page layouts for a consumer-facing digital product
- Created consistent visual systems across web and brand assets to improve product cohesion

PROJECTS

CrosswordLex (Multiplayer Crossword Game)

CrosswordLex

- Designed and developed a real-time multiplayer crossword platform focused on competitive gameplay and user engagement
- Built UI/UX flows for onboarding, matchmaking, gameplay, chat, and game state feedback
- Iterated on interaction design and information hierarchy to improve usability and clarity during gameplay
- Rapidly prototyped and shipped features using AI-assisted development workflows

Zoo Mobile App Concept

Interactive Prototype

- Designed a mobile experience in Figma improving navigation, wayfinding, and visitor information access in a zoo environment
- Created user flows, wireframes, and high-fidelity UI designs focused on usability and clarity
- Prioritized accessibility and information hierarchy for mobile users in real-world environments

Apple Watch UI System

- Designed smartwatch interfaces optimized for glanceable interaction and minimal user input
- Explored typography, spacing, and hierarchy under extreme screen constraints
